2019-20 School Theme “Lives without Limits”

Tuesday, March 17, 2020

An Irish Blessing: May pleasure walk with you; May luck smile upon you; and May joy be at home in your heart. Happy St. Patrick's Day. Hope a bit o' Irish luck and a bit o' Irish cheer will snuggle down inside your heart and stay all through the year!

I want you to know that our teachers and staff are working so hard to make our online learning as meaningful as possible. Day 2 of dismissal. Our talented innovative coaches, education services department and technology leaders who worked over the last 72 hours to design trainings for over 4,000 teachers yesterday and today.

Our Jet time teachers have been asked to reach out to their students to keep a connection with a caring non-parent adult at school. I'm very concerned about social isolation so I hope this will help keep kids connected to our loving CVHS teachers and staff. We are here to help! We just love these kids!

Please make note of the following:

1. Term 3 Grades

I have a few teachers that are trying to help students pass their classes from term 3. Please have your students check with their teachers if they are failing any classes. Teachers have the option to change grades in Skyward if they choose to do so.

2. Skyward Arena Scheduling Closes Tonight For Next Year's Juniors

Tonight, Tues. 3/17 at midnight Arena Scheduling will close for next year's juniors. Counselors will be reviewing all student schedules this week. If there are any questions or concerns, counselors will contact the student and work out the issues.

3. Chromebook Checkout Update:

Lastly, we've set up an "assembly" line style checkout 1) grab Chromebook and charger, show patron asset number (have them fill in the asset # on the district form and then submit the form); 2) quick video of Chromebook front, back(asset number) and open screen) (like rental car check out); 3) scan in Alex; 4)grab a SORA bookmark and a UOL bookmark.

We're taking other measures, too, like signs and painters tape on the floor to help with contact and flow/crowd control.

We hope this will help facilitate your online learning experience over the next few days.

Please look at Principal Johnson Communication #5 for more information with the forms you will need to set up an appointment.
