Principal Johnson Communication #8

2019-20 School Theme "Lives without Limits"

Friday, March 20, 2020, 3:30 P.M.

Dear Parents,

Our "Stay Connected" contest is going strong. It's for everyone in the valley. Just post something you are learning or being productive with on Instagram or Facebook with a #cedarvalleylife and I will find it! We are selecting a few each day and the winners will receive cool CVHS swag!

One #cedarvalleylife submission made me cry because of the inspiration of the beauty of this student's message. Wow, wow, wow! We have the best kiddos ever! [Link Here to See it:](#)

We all can learn from what she posted:

Please make note of the following:

1. Mrs. Johnson's Emails Now Available On the Website:

I heard a few of you didn't receive my #7 Communication email yesterday. Strange? It was full of important support information. Our webmaster added two tabs on the first page of our school website that should help.

- A. All the latest emails.
- B. Frequently Asked Questions Q & A

2. Library Free Resources:

Sora is a K-12 app designed around the modern reading experience that empowers students and educators with access to the most extensive and diverse catalog of ebooks and audiobooks available to schools. Whether students are reading for class or fun, Sora makes it easy: Powerful learning tools paired with essential titles means students gain 24/7 access to the titles they want and the personalized support they need.

Our media specialist just added 4100 titles to our CVHS SORA App. Here's how to get SORA for CVHS students on any device with the Internet:

[Link Here to Learn Sora:](#)

Let's make it a very productive week and learn new things you never had time to learn before! I believe in you!

Sincerely,

Courtney Johnson

Principal CVHS
