*Timpanogos High School offers opportunities to all students regardless of race, color, national origin, sex, or disability.*

Ms. Wanamaker, Mr. Barth, Dr. Jensen, Mr. Robinson

## **Welcome from the 2016-2017 Administrative Team**

We care deeply about your success individually and collectively. We *expect* you to succeed. When you entered 7<sup>th</sup> grade you were still children. You left Jr. High as young adults, and you will graduate high school as adults. It has been my privilege to be the principal of Orem Junior High for the past 7 years. Over half of the students at OJHS come to Timpanogos High School, so I have known many of you since 7<sup>th</sup> grade. I have the unique privilege of seeing many of you morph from children to adults.

When I attended the THS graduation in May and I realized that every graduate soon enters the real world whether he or she is prepared or not. It also hit me how important it is that we all work together as a team to make sure every one of you is “future ready.” Our commitment to you is that you will be prepared to go on to college, the military, a certification program, or the workplace. We expect *every* student at THS to plan for some kind of training/education after high school.

While the math, science, and language arts skills you learn here are important, there is *much more* that you will gain from Timpanogos high school. Learning how to cultivate and navigate relationships is important. You must know how to collaborate, communicate, and think deeply—no matter what you do in your future. Understanding how to manage life’s pressures and stress is a must. Being a good citizen in every sense of the word matters. The team of teachers and staff at THS is as good as there is anywhere in the world, and they are prepared to help you develop the knowledge, skills, and dispositions that will prepare you for life now and for life after high school.

Your time here is short. Get in and get involved. Fully engage in your academic classes. Join something extracurricular—leadership, athletics, clubs, or service organizations. Enjoy the social life in high school but be fully engaged in becoming “future ready.”

All fourteen years of my career as an administrator have been serving the students from our three feeder junior highs. I love this community and I’m thrilled to be able to continue to serve students and parents here. I’m also deeply grateful for the teachers and staff at THS. They are fully committed to your success. From the admin team to the custodial team, from secretaries to teachers, everyone here is advocating for your success. Your success is a result of your efforts, combined with the efforts of an amazing team of professionals that work every day to help you grow and progress. THS celebrates 20 years of educating students this year. As your new principal, I can honestly say “It’s a GREAT day to be a T-wolf!” Let’s make 2016-17 your best year yet.

Sincerely,

Dr. Jensen and Timpanogos High School Administrative Team

# **What It Means To Be A T-Wolf!**

As communicated by former Timpanogos High School student body presidents whose pictures now hang in the 100 hallway near the main office, expectations are high! We expect you to strive for EXCELLENCE in all aspects of your life! Let us be clear with regard to **“What It Means To Be A T-Wolf!”**

## **1.) Strive for EXCELLENCE**

I give my **best** by striving for EXCELLENCE in all aspects of my life.

## **2.) Create a Personal Vision**

I develop a personal vision. I pursue post-secondary education or specialized training. I start now! I understand that it is my personal vision of what “Can Be” that drives my daily attitude, decisions, and behavior.

## **3.) Develop Good Habits -- Learn How to Learn**

I learn how to learn. I concern myself with concept and skill acquisition and mastery. I develop good habits that will help me learn at a high level (i.e. – organizational skills (planner/binder), time management, homework completion, class time use, etc.).

## **4.) Problem-Solve**

I am a problem-solver. When I encounter a difficult or challenging situation, I maneuver around, over, through, or under, in an effort to solve the problem.

## **5.) Explore Resources**

I understand that learning is hard work. If I don’t understand or cannot find the answer, I look for alternatives until I find a solution. I am resourceful; I explore all options. I never give up!

## **6.) Learn to do “Hard Things”**

I challenge myself to do “hard things.” I am confident that I can find it within myself to finish, to achieve, and to succeed at whatever comes my way.

## **7.) See Endless Possibilities**

I see endless possibilities are in store for me if I believe in myself, develop a vision, and then pursue it relentlessly.

## **8.) Communicate Effectively**

I am aware that I must learn to effectively communicate with my peers, my teachers, and my parents. I take the initiative to communicate.

## **9.) Self-Govern**

I make good choices. I understand what it means to be a T-Wolf! I “get” that I have been entrusted to do the right thing, and to be where I am suppose to be at the right time.

## **10.) Embrace & Respect Differences**

I embrace and respect differences. I look for opportunities to get to know and learn from others. I don’t judge or make assumptions. I am sensitive and accept other’s unique individuality. I demonstrate a high level of respect toward my peers, my teachers, and my school. I take pride in the fact that my school represents EXCELLENCE!

We look forward to an outstanding school year. We welcome your input, ideas, resources, and critiques. Timpanogos is your school! We encourage you to get involved and make it better.

**My Commitments!**

I understand that my daily attitude, decisions, and behavior must align with my personal vision. Future opportunities depend on it! The following commitments will help me achieve my vision: Here are some examples: 1.) I will focus on learning concepts, not just earning a grade, 2.) I will be on time to my classes, 3.) I will stay organized by using a planner and binder, 4.) I will come to school rested, 5.) I will be prepared for school by completing my homework, 6.) I will give my best effort every day, 7.) # STUDENT LEADERS

Welcome back to school, T-Wolves!

It's my great privilege to welcome you to the best school in the world. This school has really helped me so much these last years, and it truly has grown for me, as I'm sure it will for you too, to be the greatest school on the planet. Timpanogos High School is the home to so many amazing students, and I am so very humbled and excited to serve each of you.

At THS we take pride in our culture. We are a school where all students are valued, accepted, and respected for who they are, and where every day is a great day to be a T-WOLF. That may sound cheesy or hard to believe, but I promise you it is true. Ask anyone, there is something different about THS. Yes we have our uniquenesses, our own stories and our different circumstances, but we strive for excellence together despite differences. We are a community of one striving for excellence. This idea, this concept, can only take place if you adopt it as your own, for the students truly are the reason this school reigns as one of the most fantastic in the state. Make sure you do your part to keep Timpanogos special.

My best advice to you as you look to the upcoming year? Get involved. There are countless ways to get involved here. Sports, Dancing, Music, and Art are all available as well as countless clubs where no previous experience is required. Participating and becoming part of the school and its many programs can provide many friendships, fun, and great high school experiences. Come to the dances, support the sports teams, come to the many performances, and scream at the spirit bowl. This school experience becomes the best when you make it a part of your life.

Most importantly, make class and good grades your ultimate goal. The staff here are wonderful, and are very willing to work with you, so long as you show a genuine interest and effort in their class. Don't procrastinate; I know we're all very guilty of this, but getting assignments done on time can prevent stress down the road. Our vision here, is to obtain not only a high school diploma, but also some kind of post secondary training. This should not only be the school's goal, but an expectation you have for yourself. This will require you to go to class, participate in discussions, study for tests, and do your homework, but I know it will be worth it.

You guys are going to love this next year. So many challenges await ahead as well as wonderful moments of success. Remember to breathe, and if you need help, just ask. Honest, I'd love to be there for you and I'm sure any student leader or our awesome counselors would love to help as well.

Work hard. Have fun. Say hi, and remember every day is a great day to be a T-WOLF

UVU's Statement of Rights and Responsibilities (Online Catalog 2005-2006)

# Timpanogos High School Attendance Policy

The THS community believes that regular attendance is necessary for academic achievement, and is a shared responsibility between student, parent, and school. Parents and students may check attendance records online (see codes below) at any time by logging into personal Skyward accounts. **Parents play an important role by determining which student absences are necessary, and calling or sending a note to the school to have them excused.**

Students bear a tremendous responsibility in the education process. Students must be in their classes on time, and come prepared to learn. Whenever students are absent, they have the responsibility to arrange with their teachers for make-up work. However, the classroom experience cannot be duplicated through make-up assignments. Absenteeism also affects a student's classmates, and places a burden on teachers. Teacher time and energy used for re-teaching, repeating instructions, and preparing make-up materials is taken away from students who attend regularly. Similarly, students who come to class late interrupt learning for those who arrived on time.

Policies and processes are in place to encourage regular attendance. Office personnel will be tracking student attendance throughout the year, and a consistent process will be followed for students with excessive absences, including letters mailed home, parent/administrative conferences, referral to district truancy school, and possible truancy court referral. The following attendance policy will also be followed:

## Skyward Attendance Codes, ARCs Required, and Required Parent Actions

|  | Skyward Code | Required Parent Action   | ARC Sessions Required to Restore Credit                        |

| Pre-approved Absence                           | G            | Parent must fill out and sign form (available on school website), and student must contact affected teachers in advance. Submit the completed form, signed by an administrator, to the attendance office prior to the absence. | None   |

| Very Tardy (more than 15 minutes late)         | V            | None   | 30 min. ARC for each V   |

### NC

A grade of NC (No Credit) will be given for any class with unresolved attendance issues (required ARCs not completed). ARCs should be completed before the end of the term in which the NC is received. If the NC is not restored by the end of the following term, the credit will be lost, and alternative options (East Shore credit, summer school, electronic high school, etc.) must be pursued.

### ARC (Attendance Restoration Class)

Students can have an NC removed, and restore their grade and credit, by attending ARC. Students must be working on classroom assignments the entire session. Latecomers will not be admitted. Electronic devices, sleeping, note passing, talking, etc. will result in dismissal from the ARC session.

### ARC Schedule

Attendance Recovery Class (ARC) is held on Saturday mornings from 8:00 – 12:00. A new session begins each hour, on the hour.

### Attendance Appeals

Attendance appeals are reserved for extraordinary circumstances. ARC attendance is very rarely waived. In order to be considered, appeal forms (available in the attendance office) must be completed and submitted prior to the end of the affected term.

These locations include but are not limited to locker rooms, shower rooms, restrooms and any other areas where students or others may change clothes or be in any stage or degree of disrobing or changing clothes.

The school administration or teacher may take appropriate disciplinary action when policy is violated.

The use of an interfering device or electronic communication device to threaten, intimidate or embarrass another or to capture and transmit test information or any other information in a manner constituting fraud, theft or academic dishonesty, will result in suspension as allowed in Policy No. 5180.
