HIGH SCHOOL

It's Easy to Join THS PTSA:

Membership Dues
are \$10 for each
Parent or Student.

Online: Myschoolfees-
Registration- optional fees.

On Your Phone: Venmo
App- find us at @Twolf-PTSA.

At School: Call or come into
the Finance Office.

Student Appreciation

Michelle Brady, Miwako
Farley, and Julie Spencer
brought the THS students
Otter Pops the first week
back to school. The treats
let the students know
PTSA is there and cares
for them. The students
were grateful for the treat
and it added some fun to
the first week of school.

MEMBERSHIP DRIVE

Be sure to enter to win a **\$100 Winco Gift Card** by
joining THS PTSA by October 31st. We encourage
both students and parents to join. Dues are only \$10
per member and go towards many great activities and
programs at the school- Reflections, Teacher Grants,
Senior Scholarships, Student & Teacher Appreciation,
plus more. We know you will get much more out of
your \$10 than you pay. Thanks for your support; your
membership is helping make "Everyday a Great Day to
Be a T-Wolf!"

Reflections

It is not too late to submit a Reflections film, screenplay, script, short story, essay, dance choreography, photo, musical composition or visual art medium piece. **Projects are due October 18th at 2:15 to the front office.**

This year's theme is "Within Reach" and can be easily adapted to many works of art. The high school level is a great way to earn recognition for your talent and selected works will go onto compete at the Council PTA level.

FIGHT THE NEW DRUG

The PTSA is combining with the Dr. Jensen and the THS Counseling Department to bring "Fight the New Drug" assembly to our community. This is a very informative two part presentation explaining the ill affects of pornography on our students, families, community and nation. The first part is a Parents' Night to help increase parents' awareness and actions to help our children avoid pornography. Next, age-appropriate interactive assemblies will be held at the school to educate the students about pornography's harmful effects.

We invite anyone interested in donating to raise funds to bring this assembly to the Timpanogos Community to contact Liz Lloyd at the school. Your donation will be routed through the Aware to Care Assembly Fund of the Alpine Foundation and is tax deductible. **Any donation large or small brings us closer to our goal of bringing this informative and timely assembly to us.**

An Interactive & Age Appropriate Presentation

"Although the negative effects of online pornography are well-documented, few realize that one demographic is especially at risk.

According to the Attorney General's Commission on Pornography, teenagers are the largest consumers of Internet Pornography. And because the brain is most susceptible during these teen years to the chemical overload that comes with continued viewing, addiction is a real danger.

Unfortunately for students, schools have few, if any, resources dedicated to preventing - or even addressing - this problem that can lead to depression, isolation and academic struggles.

Easy accessibility has turned the Internet into today's "drug dealer" - a place where porn-related searches represent nearly 25% of ALL online inquiries.

These days, 93% of boys and 62% of girls view porn before age 18."- FTND

HOMECOMING CARNIVAL

The PTSA homecoming booth was spectacular this year despite the weather! Miwako Farley and Rochelle O'Brien devoted a lot of time and resources to the Plinko Game and Waffle Love booths. We also had several PTSA board members help during the carnival. It was our best year yet (who can refuse Waffle Love?) and the funds raised will go to help our many PTSA projects and programs- senior scholarships, teacher & student appreciation to name a few.

TIMP THIRSTY THURSDAYS

You heard right- Thursdays are now Timpanogos Spirit Days at Swig 'n Sweets at the 1600 North Orem location! Anytime of the day mention THS when you order and a 15% of your tab will come back to our PTSA.

FAMILY FUN & FALL DATES
